Proprietor: MD Shakib

Introduction

coffee, beverage brewed from the roasted and ground seeds of the tropical evergreen coffee plants of African origin. Coffee is one of the three most popular beverages in the world (alongside water and tea) and one of the most profitable international commodities. Though coffee is the basis for an endless array of beverages, including espresso, cappuccinos, mochas, and lattes, its popularity is mainly attributed to its invigorating effect, which is produced by caffeine, an alkaloid present in coffee.

Summary

Facility coffee is a locally owned coffee shop that features expertly crafted coffee and espresso drinks. We use responsibly sourced, high quality beans that are roasted a few miles away on St Simons Island. We also offer protein and pre-workout drinks (made from whole food ingredients- no chemicals or preservatives!), breakfast pastries, desserts, and more.
